

Contract Recruitment

Short, medium and or long-term

NST Recruitment prides itself in the relationships it builds with clients. These relationships ensure that we receive regular contract opportunities from our clients.

Our services have developed over the years and we believe that many of our clients are looking for more strategic partnerships.

We understand the need for contractors for short, medium and or long-term assignments. The services that we provide range from a single contractors to teams.

Our quality process ensures that we only forward candidates whose skill set and experience match our clients' requirements.

We ensure that all our Contractors are able to trade by checking relevant details with Companies House. We require the name of the Limited Company bank account and either a bank statement / copy cheque / bank letter to confirm these details. We also require copies of Certificate of Incorporation, Indemnity Insurance Certificate and VAT Registration Certificate.

Product Specifications

Whether you need contractors for a specific project, require niche expertise, backfill "business as usual" positions or are looking to meet a peak in your resourcing requirements, recruiting contractors and interim staff offers a seamless solution to compliment your permanent employees.

NST Recruitment can assist you in recruiting contractors and interims that benefit your business by providing:

- flexible and specialist / niche capabilities at business critical times enabling a high level of market awareness
- productivity from day one of the assignment
- high quality transferable skills; contractors and interims bring a wide-breadth of knowledge and experience as well as an innovative mind set
- budget certainty - you know the costs and timeframe from the start
